

---

## WHO ARE THE VOLUNTEERS?

- Neighbors helping neighbors through their congregations and community groups.
- Trained men, women and young adults who can give non-medical support to homebound individuals.
- Generous caring people with a special concern for others with physical and mental challenges.

## WHO CAN REQUEST SERVICES?

- Seniors and people with disabilities.
- Family members, friends or neighbors.
- Congregations or community groups.
- Home health or social service agencies, hospitals and senior centers.

## WHO ARE WE?

**Interfaith Caregivers Trenton, Inc. / Faith In Action** is a coalition of religious congregations and community organizations working together to help seniors and people with disabilities remain in their homes and stay independent.

**Interfaith Caregivers** helps recruit, train and match volunteers who provide non-medical support services to homebound individuals free of charge.

**Interfaith Caregivers** strengthens the existing outreach ministries of congregations while also linking them with the network of community health care and social service organizations.

**Interfaith Caregivers** sponsors workshops and seminars to increase awareness of local resources and develop skills in serving seniors and people with disabilities.

**Interfaith Caregivers** was founded by the Trenton Ecumenical Area Ministry (Ecclesia) in 1994, with a *Faith in Action* seed grant from the Robert Wood Johnson Foundation. ICT is an independent non-profit organization.
